You will be added to the CCS Vets -
Prepping For Private Practice group.
The course will only be added onto your
profile on the **1 October at 10AM**

Access the course from any computer or phone by visiting www.khulavet.co.za, logging in, and selecting the "My Classroom" tab.

Navigate through the course content:
Each module consists of four sections:
Webinar,
Course Material,
Sponsor Content
and Quiz.

Webinar

The webinar can be streamed in the classroom from any phone or computer. You can adjust it in the right bottom corner so it displays full screen and can also adjust the playback speed

NB: Click the **Mark Complete** button at the bottom of each section to track your progress through the course.

Course Material

Here you can download notes for your future records. There is also a larger version of the presentation that can be viewed in the classroom to refresh your memory before taking the quiz. We have also included bonus content in the form of client handouts and practice resources.

Sponsor Content:

The sponsors have generously subsidised this course. They have supplied valuable content on their products in the form of short videos and downloadable resources. Please note: Some of the questions in the quiz are related to this content.
